Meetings will commence in the library and then continue in classrooms.

The purpose of these meetings is to:

- meet the class teacher;
- discuss areas of focus for 2012;
- be informed about stage and classroom organisation;
- hear about planned activities and units of work; and
- discuss ways that you can help and support your child.

These meetings are meant to give a general overview of activity. **It is not possible to discuss individual students at this time.** As always, if you have a concern or would like to speak with your child’s class teacher, you may like to make an appointment to have an individual discussion.

To enable all parents to be accommodated at the information session, we ask that parents make alternative arrangements for their children’s care on this occasion. Please be aware that no children will be supervised in the playground during this time.

We look forward to sharing what is happening in 2012 with you.

Yours Sincerely,

McCallums Hill Public School Staff
